## Camper Talent Show

By Charlotte Wood

July 17 was the Birthday Ball and camper talent show here at Greystone. It was a huge hit, with twenty-two performers, no one was ever bored. All the acts were very impressive, and the performers were all very prepared. Many seemed to enjoy Georgianna James's act, she sang and played "Hey Stephen" by Taylor Swift on the guitar. She did an excellent job. Another impressive act was that of Anna Rhodes and Leah Rhodes. Their clog dance was amazing! You could really tell they had rehearsed it a lot and made it really good. Cabin six also did a great job singing "For Good" from Wicked. Their song was dedicated to Caroline Crawford, one of the amazing counselors here at Greystone. Katie Rosenberger sang "American Honey" by Lady Antebellum. It was lovely, her voice was very good. I hope everyone's looking forward to next year's talent show.

## Greystone Girls

By Maya Anderson

A Greystone girl will always smile,  
Even on a rainy day.  
Instead of saying, "Aww, no free swim!"  
She'll say, "Yay! Longer rest hour!"  
Instead of being angry when she  
doesn't get first shop,  
She'll be patient and wait in line.

# *My Summer at Greystone*

By Kate Sory

This year at Camp Greystone I had a really good time. Between water skiing and learning to play tennis and guitar I really enjoyed hanging with my cabin. By my cabin I mean all of Tentlow Nine! I think my whole tentlow was one of the best I've had in my five years at camp. We've had dance parties, model shoots, devotions, and birthday (mine) guitar songs, and our overnight which got relocated to the gym. All in all my cabin, TU9 and TL9, are awesome!

I can't forget my counselors! For those of you who know them, my counselors are Victoria Jett and Caroline Mayberry. I know that people say that everyone has a favorite, but between Victoria and Caroline I couldn't choose! They are so much fun and I know they care about me. To say one last thing to all the girls here – the friends you make here and the counselors who help you make them will be with you forever!

## *My Summer at Greystone*

By Lily McCullar

This summer at Greystone was so much fun. The final days of camp are coming and then we will pack up and go home. My favorite thing about camp this year was my classes. I enjoyed crafts and cooking. In crafts we made clipboards, picture boxes, plaques, flower hair pins and lanyards. In cooking my favorite meal we made was guacamole and quesadillas. My favorite evening program was probably carnival, I loved the western theme. The bull ride was fun and the funnel cakes were amazing. I love camp! My cabin had a mix of campers new to Greystone, campers new to Main camp and returning Main campers. My counselors were Ruthie and Brandon. They all helped to make this a great summer.

# My First Year at Greystone

By Charlotte Wood

My name is Charlotte and this is my first year at Greystone. At first I thought Main camp would be way too long, but once I got here and started getting used to camp it seemed like I didn't have enough time! When I first got here I was extremely homesick, it seemed like forever until camp was over. But once I adjusted to it here, made friends, and got into the routine of camp, it went by much faster. Sure, I still missed home sometimes, but it didn't get in the way of fun! Once I began passing levels in my classes I got much more involved in my activities. Like I said, the homesickness didn't go away all at once, but it faded away until it really just wasn't important anymore. Once I wasn't concentrated on missing home I was able to enjoy my activities that much more, because I was focused on that instead of home. My high adventure class seemed to be getting shorter! It was so much fun to climb the wall and my favorite part was The Screamer. Also, the counselors here really helped me! My counselor, Henderson Cole, helped me adjust to camp and one of my table counselors, Carter Harrison, helped me a lot too.
